

Application guidelines

Admission requirements:

1. Supreme College Nederland students can be admitted with a pass from 2 to 3 VWO.
2. The priority of the Supreme College Nederland students is their school career: the school day is from 08.45-16.00 o'clock.
3. The final report details of the previous schools are divided into two categories.
 - A. The cognitive part of the report, among which the subjects Dutch, English, modern languages, history, geography, mathematics, physics, biology, must show an average mark of 7.5 and not a single 5 (on a ten-point scale).
 - B. The formative subjects of the report, like arts/drama/dance/music/PE must all show the qualification of 'good' or an 8 (on a ten-point scale).
4. In order to be admitted to Supreme College Nederland, students must show that they are able to manage the freedom and cohesion of our education and that they comply with the Supreme College Nederland student profile: ambitious, honest, academically strong, possess an international mindset and a positive attitude towards other cultures. The application form must be supported by written references from the mentor/tutor and the head of department of the second form of the previous school. Students are selected by means of a personal interview.
